

Bungalow-facility Alhambra Miami-Platja

The complex has 6 bungalows on a generously-sized plot of land like a park, which can only be accessed by the tenants. An unusually large swimming pool with a separate children's pool also belong to this beautiful complex, as well as an area for sunbathing with loungers and a winter garden. Our houses are in a residential area without loud businesses or apartment blocks. But the nearest shop or restaurant is only about 500 metres away and the beach 800 metres. Fantastic view on the mountains and the sea.
